Town of Rushford

Press Release

Rushford to Form Advisory Board

Town Seeks Citizen Panel

Rushford, NY, April 11, 2018: The Rushford Town Board approved a motion to form a citizen advisory panel to discuss a town zoning ordinance. The Town is reaching out to property owners to be a part of working on this matter.

The zoning ordinance to be discussed, currently allows one camper (trailer, RV, etc.) to be used for living purposes, on a vacant lot while construction of a permanent structure is being completed. This ordinance, which allows for this living arrangement is good for one year, and applies to the entire town, including the Lake District.

The advisory board will consist of property owners on both sides of this issue, those in favor of changing the current ordinance and those opposed. Interested parties need to reply via email to the Town Supervisor, Peter Wade, by April 30, 2018. The board will be chosen randomly at the next Town Board Meeting, on May 14, 2018.

Please send submissions to: townsupervisor@townofrushford.com. All emails will receive confirmation notification.
